

Dear Parents and Carers,

What a fantastic week we've had here at school – full of achievements, creativity, and community spirit!

🏠 **Huge Well Done to Year 6!**

A massive congratulations to our amazing Year 6 pupils who have completed their SATs this week! We are so proud of the way they approached the tests – calm, focused, and truly being their best selves. Their positive attitude has been inspiring to see.

A heartfelt thank you to all the staff who have supported them along the way, not only this week but throughout their journey. Your dedication means so much. Thank you also to our parents for the encouragement and care you've shown – we know it can be a wobbly time, and your support makes all the difference.

🚲 **Year 5 Bikeability Success**

Our Year 5 groups have continued with their Bikeability sessions and we've received such wonderful feedback from the coaches. They've been impressed by the children's behaviour, enthusiasm, and excellent attitudes to learning. Well done, Year 5 – you're setting a brilliant example for others!

👤 **Duffy Class Parent Interviews**

Thank you to all the families who attended the Duffy Class parent interviews this week. These sessions have been a lovely opportunity to share the fantastic progress and positive attitudes of the children. It's been wonderful to see such strong attendance and support from home – it really does make a difference!

🎨 **Year 4 Art Day Celebration**

Year 4 have enjoyed a brilliant art day this week, bursting with colour and creativity. It's been a real celebration of our children's artistic talents and we've loved seeing their imaginations come to life!

Looking Ahead...

Next week is shaping up to be another exciting one, with lots to look forward to:

- Year 5 Oscars 🌟
- Reception Share Squares with Parents 🧸
- Our weekly Values Assembly 🧡

Thank you all once again for your continued support. Wishing you a restful and joyful weekend.

Warm regards,

Mrs Walker
Headteacher

ATTENDANCE

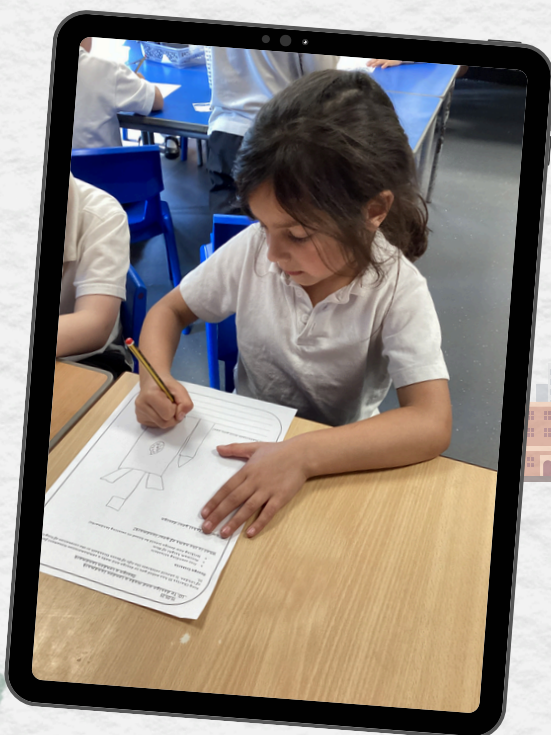

Well done to Burrow Class for 100% attendance this week!

Whole School Attendance 97.5%

Look what's been
happening in class
this week!

Reception have enjoyed being in the forest this week, creating nature prints with leaves and tree bark using crayons and paper.

Year 1 have been designing a new London landmark in preparation for our DT morning on Wednesday.

On Thursday, Lusía's mum came in to talk to Year 2 about her job as an architect. She told us about the different buildings that she has been involved in designing and all her favourite buildings. We then designed our dream homes which you have been able to see on our class windows! A big thank you to Lusía's mum for a fascinating insight into the world of an architect!

Year 3 have had another busy week. In Maths, we finished our Mass and Capacity topic. We have now moved onto our Fractions B topic. We used part-whole models to partition a whole. We enjoyed working together and exploring different ways to partition!

Look what's been happening in class this week!

This week **Year 4** carried out an investigation to see which drinks can stain our teeth and the impact they have on their health. We explored why it is important to have good dental hygiene.

Year 5 are learning to read musical notation and play what they can read. There's nothing we can't do!

What a week for **Year 6**! All children were undeniably their best selves and made both themselves and us very proud. Here is some artwork that Year 6 created on Thursday afternoon; we used L S Lowry to inspire the children's interpretations of Mellor Mill.

YOU DID IT!
