

Being our Best Selves

Ludworth Primary School

Ludworth Life

20th June  
2025

Dear Parents/ Carers,

It's been another action-packed week at Ludworth, with so many exciting opportunities for our children!

📷 **Class photographs** took place earlier this week, and we look forward to seeing those smiling faces when the proofs arrive.

❤️ Our **Year 6 pupils** have had a fantastic time on their **residential trip**, making memories, challenging themselves, and working brilliantly as a team.

🎵 **Year 3** enjoyed a wonderful trip to *play with The Hallé Orchestra* – a magical musical experience that really inspired them.

🏃♂️ **Year 2** took part in *The Legacy Trail* and impressed everyone with their enthusiasm during orienteering at Bramhall Park.

⚽ We're also very proud of our **boys' and girls' football teams** who represented Ludworth so well in matches held at Norbury Hall – fantastic teamwork and sportsmanship all round.

Looking ahead, we're excited to welcome **Front Row Music** next week for an assembly. They will be our new guitar and ukulele lesson providers from September, and this will be a great opportunity for the children to see what's on offer.

🎪 **The Summer Fair** is fast approaching! Join us on **Friday 27th June, 3:15–5:15pm** for a fun-filled afternoon with a **Wimbledon theme**. There'll be games, stalls and refreshments – and most importantly, a chance to catch up with friends in what is always a lovely atmosphere.

Next **Friday** will also be a **non-uniform day** (No Football or sports kits please) – we kindly ask for a bottle donation for the tombola.

Finally, I hope you all have a wonderful weekend. Please do take care and stay safe in this unusually hot weather – remember hats, sun cream, and water bottles!

Warmest regards,

Mrs Walker  
Headteacher

# KEY DATES

**Year 5 Maths Event at SGS**  
23<sup>rd</sup> June

Whole School Attendance 96.9%

## Look what's been happening in class this week!

In **Reception** we have enjoyed using story circles to help us orally retell the story of 'The Storm Whale'. We have used lots of newly learnt vocabulary and super story language too!

In **Year 1**, we took our learning outdoors to explore halves and quarters using cubes and hoops! We worked together to divide groups of cubes and had a go at writing our answers.

On Tuesday **Year 2** travelled to Bramhall Park to complete in the Outdoor Adventure Activities-Legacy Trail with other schools in the borough.

This is a fantastic PE event involving physical activities, relay games and problem-solving challenges.

The sun shone and our children were definitely 'their Best Selves' - working in teams showing excellent commitment, communication and collaborative skills.

It was great fun.

Look what's been happening in class this week!

**Year 3** had a wonderful time at The Bridgewater Hall where we watched some amazing performances by the Halle Orchestra and listened to music by famous composers. We loved performing our two space themed songs alongside the Halle with some fantastic signing and actions too!

This week, **Year 4** have been learning about the water cycle. We looked at the different stages and vocabulary, and then created a news report to explain the process.

**Year 5** thoroughly enjoyed Maths in the sunshine on Thursday. Using their knowledge of multiplying and dividing, they converted different measurements whilst running around the playground hunting for questions.

**Year 6** were proud to take part in sessions highlighting how and why they should be so proud of every part of themselves. We talked about why being proud of ourselves is important.

# CANOE SLALOM: PAN CELTIC 2025

The Pan Celtic is an annual competition where the home countries junior canoe slalom paddlers compete for their country. Up to three paddlers can be selected for each age range for each class.

Jessica was picked for the J10 (10 and under) for KIW (kayak, women) and CIW (canoe, women).

Unfortunately, it absolutely chucked it down on the Friday night so the river was very high and kept rising all day. Jessica is a Division 3 paddler and the race was a Division 2/3, but with so much water in the river, it was really Div 2 conditions.

Jessica got a bit scared, but used her resilience and still raced her kayak and received her England cap.

**WELL DONE JESSICA -  
EVERYONE AT  
LUDWORTH IS VERY  
PROUD OF YOU!**
