Dear Parents and Carers,

We hope this newsletter finds you well and enjoying the beautiful autumn season. We have had a truly exciting and eventful week at school, at the end of a super half term and we're delighted to share some wonderful updates with you.

👶 A Beautiful New Arrival!

We are thrilled to share the joyful news that **Mrs Donaldson** welcomed her baby daughter, **Eleanor**, into the world this week! Both mother and baby are doing well, and we're sure you will join us in sending heartfelt congratulations to the whole family. What a special moment!

📚 Success Share – A Fantastic Turnout!

Thank you to all the parents who attended our **Success Share** sessions on Monday and Tuesday. It was fantastic to see so many of you engaging with your children's maths learning. Your involvement has truly boosted confidence and we hope it provided valuable insight and support for both you and your child.

🏠 Year 3's Stone Age Day

On Wednesday, **Year 3** took a step back in time during their immersive **Stone Age Day**. The children had a brilliant time in role, exploring life in prehistoric times. This hands-on experience deepened their understanding and brought their learning to life in the most exciting way!

🎃 Spooktacular Discos!

A huge thank you to our amazing **PTA members and staff** who volunteered their time to organise and run this week's **Halloween discos**. The events were a huge success, with children looking incredible in their costumes and enjoying a brilliantly spooky time together.

👏 PTA – A Reminder of Their Incredible Work

We'd like to take a moment to appreciate the dedication of our **PTA volunteers**. All of them juggle busy lives and still find time to support our school. Without their positive energy and commitment, the wide variety of events we enjoy simply wouldn't happen. The more people who get involved—whether by attending meetings, sharing ideas, or lending a hand—the more opportunities we can create for our children. **Everyone is welcome!**

A reminder that the first week back will be individual photographs on Tuesday 4th November.

Thank you for your continued support and enthusiasm. We look forward to more exciting events and learning adventures in the half term ahead!

Warm regards,

Mrs Walker

Year 3 Stone Age Day

A particular highlight in Year 3 this week was on Wednesday, when we had a special visitor to enrich our learning as part of the History Discovery Curriculum.

This experience truly deepened their understanding of this fascinating period.

The day was fully immersed in the wonders of the Stone Age, and our children were captivated by hands-on activities that brought history to life.

History Discovery Learning

DIGITAL LEADERS

What is a Digital Leader?

A digital leader is a pupil who forms the school council and takes on a responsible role in supporting the use of technology within the school. As part of our role, we help set up equipment, assist staff and pupils with ICT-related tasks, supporting online safety initiatives, and contributing to the school's digital development.

Meet your digital leaders:

Year 6:

Reuben Smith
Matilda Horsfall

Year 5:

Karl Green
Jessica Hawkins

Year 4:

Savannah Barton
Jesse Croft

Year 3:

James Waiting
Esme Smith-Caine

This year we will be working towards 9 Digital Leader badges: Creator, Educator, Leader, Networker, Presentator, Reporter, Reviewer, Safeguarder and Technician. To achieve these badges we will be developing valuable skills in leadership, communication, and technology.
