

Being our Best Selves

Ludworth Primary School

Ludworth Life

23rd
January
2026

Dear Parents and Carers,

What a vibrant and inspiring week it has been at Ludworth. The school has truly felt like a hive of creativity, imagination and joyful learning, with children across the year groups throwing themselves into new experiences and challenges.

- **Reception Discovery Learning**

In Reception, our youngest learners have been fully immersed in Superhero Week. Inspired by the story Juniper Jupiter, the children have been exploring what it means to be a real-life hero – solving problems, helping others and showing bravery in everyday moments.

Their enthusiasm has been infectious, and it's been wonderful to see their confidence grow as they stepped into the shoes of their favourite heroes. Of course, not all superheroes wear capes... but that certainly can't be said for our Reception staff, who embraced the theme wholeheartedly and brought the magic to life with their energy and imagination.

- **Art Days**

Further up the school, Year 4 have been channelling their inner artists through a sculptural project inspired by Alexander Calder. Using wire as their medium, the children experimented with shape, balance and movement to create fantastic abstract sculptures. Their focus and creativity have resulted in some truly impressive pieces that reflect both Calder's influence and their own unique ideas.

Year 5 also enjoyed a dedicated Art Day, taking inspiration from the bold, abstract style of Picasso. With the help of cardboard kindly donated by parents, the children explored form, perspective and colour to produce striking abstract designs.

- **Ending on a High!**

We ended the week on a real high with a wonderful assembly from Miss Foley's Higdon Class. The children shared their learning with confidence, enthusiasm and pride and even managed to get the whole audience up on their feet dancing.

Have a lovely weekend

Mrs Walker

KEY DATES

- Informal Parent Advice Session**
28th January - 9am -11am
- Beethoven Class Assembly**
30th January - 9am
- Young Voices**
6th February
- Success Share - Discovery Learning**

ATTENDANCE

Congratulations to GREENWOOD and WILLIAMS CLASSES for 100% attendance this week

Whole School Attendance 98.0%

Let's show them our superpowers!!!

Our Core Values

To achieve our mission, we embrace and encourage the Ludworth Values:

- **Adaptability:** Thriving in change and embracing new challenges.
- **Independence:** Building self-reliance and confidence in decision-making.
- **Commitment:** Demonstrating dedication to learning and personal growth.
- **Problem Solving:** Thinking critically and creatively to overcome challenges.
- **Communication:** Expressing ideas clearly and listening effectively.
- **Determination:** Persevering in the face of obstacles to achieve success.

TODAY, HIGDON CLASS DID THEIR CLASS ASSEMBLY BASED ON 'OPERATION CHEER UP THE GROWN UPS!' THE YEAR 3 CLASS AIMED TO SHOW ALL OF THEIR AMAZING SUPER POWERS AND WERE SUPERSTARS SHOWCASING THEIR WRITING, DANCING AND SCIENTIFIC SKILLS.

WE WERE SO PROUD OF HOW ELOQUENT THE CHILDREN WERE. THEY DEFINITELY COMPLETED THEIR MISSION OF CHEERING UP THE GROWN UPS!
