Dear Parents and Carers,

We've reached the end of another busy week at Ludworth, and it's hard to believe we're already approaching the end of the first half-term of 2026.

As mentioned on Class Dojo, we'd like to gently remind parents not to send children into school with personal tracking devices such as Apple AirTags, Tile trackers, GPS keyrings, or similar items. Although we understand these devices are often used with the best intentions, they can create safeguarding and privacy issues in school. Tracking devices may share location information that could reveal the movements of other pupils and staff, and they can be misused in ways that conflict with our responsibility to keep everyone safe.

If you ever have concerns about your child's safety or wellbeing during the school day, please come and speak to us - we're always here to help.

Reception had a very exciting week as part of their Superhero topic. One of our very own superhero parents, Mr Wall, visited to talk about his role as a Firearms Officer in the Police. The children loved exploring the equipment he brought in and asked lots of brilliant questions.

After many weeks of rehearsals, our Choir travelled to the Co-Op Arena today to take part in Young Voices 2026. After an afternoon of practice with the other schools taking part, This evening, they'll be performing alongside well-known artists including The Voice UK winner Ruti and Britain's Got Talent runner-up Connie Talbot. We hope they have an unforgettable experience.

Next week, our classrooms will be open from 8.40am to 9.15am on Tuesday and Thursday for our Discovery Share sessions. Please check Class Dojo for the day your child's class is open - we'd love to see as many of you as possible coming in to celebrate the fantastic work the children have produced this term.

Enjoy your weekend,

Mr Senogles
