

Dear Parents/ Carers,

What a lovely week it has been! The beautiful weather has once again allowed the children to make the most of our outdoor environment. Our **Gardening Club** has been busy planting and developing our gardening areas, taking great pride in nurturing our school grounds and learning how to care for the environment.

There has also been lots of **sporting activity** across school, with fantastic use being made of our **orienteering facilities**. It has been wonderful to see the children working together, staying active and developing their teamwork and problem-solving skills.

## 🌱 Learning Highlights

- **Reception** children have been busy investigating **minibeasts**, exploring the outdoor environment and developing their curiosity about the natural world.
- **Year 5** enjoyed a visit to **St Martin's Church**, supporting their wellbeing strategies and taking time to reflect in a calm and welcoming setting.
- **Year 1** have undertaken **traffic surveys** around the school roads, using real-life learning to support their understanding of numbers, safety and their community.

As always, there has been a wealth of learning and activities taking place across school to **feed imaginations and develop problem-solving skills**.

## ☀️ Polite Reminders

- Please can **Oscar trophy's** be returned as soon as possible so that they can be ready for our Oscars event in a couple of weeks.
- With the warmer weather, please ensure children have **sun cream applied before school**. However, as the weather can still be unpredictable, **children should continue to bring a coat** for sudden showers.

## ♿️ Mellor March

Information has previously been shared regarding **Mellor March**, but just a quick reminder that this will take place on **Sunday 3<sup>rd</sup> May**. More information can be found at <https://mellor-march.org.uk>.

## 🕒 Stay and Play Payments

Stay and Play is an **oversubscribed service** which provides much-needed childcare for many of our families. A gentle reminder that **payments should be made within the same month** the invoice is issued. Staffing, food and other essential costs often need to be paid before income comes in, and when payments are delayed it leaves the service very vulnerable.

Please can I politely ask that **any outstanding arrears are cleared as soon as possible**. If you are experiencing any difficulties or need to discuss a **payment plan**, please do get in touch – we are very happy to help.

Thank you in advance for your cooperation and support.

## 📅 Looking Ahead

Next week will begin with a **Bank Holiday on Monday**, so please remember that school will reopen on **Tuesday**.

Have a lovely weekend and extra day off – hopefully with more sunshine

Mrs Walker

# KEY DATES

**BANK HOLIDAY - SCHOOL CLOSED**
