Dear Parents and Carers

What a fantastic week we have had to finish the half term!

### **Success Share**

It was wonderful to welcome so many parents into school for our **Success Share Morning**. Thank you for taking the time to join your children and celebrate their learning in writing and English. It was truly lovely to see the school buzzing with such positive conversations, pride, and enthusiasm for learning.

### **London Skylines**

**Year 1** created some absolute masterpieces with their parents, designing **landmarks of London**. The children's ideas were detailed and thoughtful, and seeing their designs brought to life was incredible. Well done to Year 1, and a big **thank you to all the parents** who supported this activity.

### **Ludworth Oscars**

Our **Oscars** event was another huge success, with many deserving winners enjoying their proud moment on stage. Well done to all of our children who continue to set a shining example through their attitudes, work ethic and positive approach to learning. We are incredibly proud of every one of you.

**Year 5** treated us to a **fantastic performance** in the Oscars, taking us on a journey through the decades. Their confidence, enthusiasm and entertainment from start to finish made it a truly memorable event—well done on a brilliant job!

### **Canoe Experience**

Today, **Year 4** and **Year 6** enjoyed a fantastic experience canoeing on the canal alongside a team of specialists and staff. The children had a wonderful time, developed new skills and were lucky enough to enjoy the good weather too!

### **PSHE**

Thank you also to those parents who joined us to **explore PSHE learning** at Ludworth. Your ideas and input are invaluable in helping us ensure we provide the right support for your children, particularly when navigating more complex or sensitive areas of learning and how to help to support parents through this also.

### **Staffing Update**

We would like to say a huge thank you and **farewell to Miss Walker**, who leaves us today after completing her Law degree. She is moving on to an exciting new chapter, training to become a teacher. Miss Walker has supported many children during her time at Ludworth and has been a real asset to our school community. We wish her every success and happiness for the future.

I would also like to thank the Ludworth Team of staff and parents who support through the PTA. Staff juggle many challenges and always go above and beyond to ensure the best learning opportunities can be provided, taking additional time to get it right in more ways than one. It does not go unnoticed and I feel privileged to work with you all! The PTA have continued to support the school through exciting, fun events that have brought the community together and raised much needed funds along the way. Thank you to you all for this continued support and dedication to Ludfworth families.

**Finally, we wish all of our families a lovely and restful Whit holiday. Thank you, as always, for your continued support. We very much hope the sunshine continues!**

Warm regards,

Mrs Walker

## A Teethrific Assembly for EYFS and KS1 !

This week, we were delighted to welcome the wonderful team from Bupa Dental Care into school for a very special learning experience. Our EYFS and KS1 children took part in an engaging and informative session led by a dentist, a dental nurse, and a very special guest Jennifer Grey, author of *The Dentist Apprentice*.

The children learned all about the importance of oral health and hygiene, gaining valuable knowledge about how to care for their teeth and why regular dental visits are so important. A highlight of the visit was a lively and captivating story about a nervous crocodile who was afraid to visit the dentist, but with reassurance and courage overcame his fears. This story helped children understand that visiting the dentist is nothing to worry about and is an essential part of staying healthy.

We would like to extend a huge thank you to Mrs Harvey, the fantastic team at Bupa Dental Care and Jennifer Grey for providing such an enriching and memorable experience for our children.

After the holiday, children will be bringing home their very own copy of *The Dentist Apprentice*, kindly gifted by Bupa Dental Care, along with a toothbrush and toothpaste to support their ongoing oral hygiene at home.

What a fantastic week of learning!

## KS2 Canoeing

**Our KS2 children had an amazing time taking part in a canoeing experience!**

**It was fantastic to see our children embrace the challenge, build confidence, and enjoy learning together out on the water.**

**They showed excellent teamwork, resilience, and determination throughout their time on the top lock, supporting one another and making the most of every moment. There were plenty of smiles along the way, and lots of great memories made! See class dojo for more photos - coming soon!**

**A huge thank you to all our school staff team for making this happen, along with our wonderful volunteer helpers and the team at Venture Out for making the day so enjoyable.**

**We were in awe of the commitment shown by all of the children.**

# **COLOUR RUN UPDATE!**

**Thank you to everyone who came along to support our PTA Colour Run on 8th May.**

**Not only did we have a fantastic time together, full of laughter and energy, but we're also delighted to share that we raised an amazing £1,800!**

**It was a wonderful afternoon and a great reminder of what a special community we have here at Ludworth.**

**A huge thank you to our fantastic PTA team for organising such a brilliant event; we're already looking forward to the Summer Fair on Friday 3rd July!**
