Dear Parents/Carers

This week has been yet another reminder of the vibrant, caring and ambitious school community that makes Ludworth such a special place.

Sports Days

The week (and last) has been filled with excitement, energy and plenty of smiles as children across the school took part in our Sports Days.

It has been wonderful to see pupils demonstrating determination, teamwork and sportsmanship whilst enthusiastically cheering each other on.

Thank you to all of the parents and family members who joined us to support the children and help make these events such a success.

Success Share - Art

We were also delighted to welcome parents back into school for our Success Share event.

This provided a fantastic opportunity to celebrate the incredible artwork produced by our children throughout the year. From colourful paintings and detailed sketches to imaginative mixed-media pieces, the creativity and talent on display was truly remarkable.

Sharing these achievements with families is always a highlight and reflects the pride our children take in their learning.

Year 6 Production

One of the standout moments of the week was seeing our Year 6 pupils take to the stage at the New Mills Art Theatre for their production of GrossBusters!

The children delivered a fantastic performance, displaying confidence, enthusiasm and exceptional teamwork. Their acting, singing and comedic timing entertained the audience and showcased the many talents that they have developed during their time at Ludworth. We could not be prouder of them.

Year 5 Residential

Our Year 5 Classes headed to York on Thursday for their Residential. For many of the children it was their first time spending a night away from home and they all showed great resilience and adaptability. They have enjoyed immersing themselves in all things Viking, visiting the Jorvik Centre and exploring York, and return to School tired, but with memories to last a lifetime!

As we head toward the final week of this school year, have a super, sunny weekend and for those heading to Family Camp have a great time.

Dame Rachel de Souza
Children's Commissioner for England

For the first time, hundreds of thousands of children will be eligible to vote in the next general election at age 16, the biggest change to the franchise in half a century – yet just one in five children say politicians listen to them.

That's why I'm doing my final survey, *The Big Future*, to talk to a million children, to listen to them. And to find out about what it's like to be a child today.

I am asking children about the changes they want to see in their communities, their biggest concerns, and their hopes for the future. More than anything, I want to know what they think a good childhood should look like, now and in the future.

How children and young people can take part
