September
2026

Dear Parents and Carers,

What a fantastic week it has been at Ludworth! As I have walked around school, I have been struck by the incredible range of learning opportunities taking place across every year group. The enthusiasm, curiosity and determination shown by our children has been wonderful to see, and they continue to demonstrate our Ludworth Values in everything they do.

Our **Reception children** have had a fabulous time in Forest School, developing new skills and building confidence in the outdoor environment. They have been strengthening their fine motor skills through mark-making activities using a variety of natural and classroom resources. The children also enjoyed making their own playdough and creating beautiful autumn leaves, combining creativity with hands-on learning.

In **Year 4**, our young scientists have been hard at work creating electrical circuits. The children have shown great problem-solving skills and resilience as they explored how circuits work and investigated ways to make them successful.

Meanwhile, **Year 6** have been learning about life during the Second World War, focusing on German and British propaganda and exploring why rationing was introduced. They have engaged thoughtfully with this important period in history and have asked some excellent questions. As part of their PSHE learning, the children also acted out how to make a 999 emergency call, developing important life skills and learning how to respond appropriately in an emergency situation.

On the sporting front, our **boys' football team** represented Ludworth brilliantly this week against Warren Wood. The team played two excellent matches, winning one game and narrowly losing the other. Most importantly, every player demonstrated fantastic attitudes, teamwork and sportsmanship. Their determination to improve and develop as a team was clear for all to see, and we are extremely proud of them.

This week we were also delighted to welcome a number of special visitors into school. **Prospective children and their families** visited Reception as part of our package to introduce them to what Ludworth has to offer, and we were also pleased to host **local headteachers**. The feedback we received was overwhelmingly positive. Visitors commented on our children's excellent attitudes to learning, their confidence when explaining their work, and the way they embody the Ludworth Values each day. They were also highly complimentary about the quality of learning taking place throughout the school and the warmth and professionalism of the Ludworth team.

These are all things that I already know about our fabulous children and staff, but it is always wonderful to hear others recognise and appreciate the incredible hard work, commitment and teamwork that make Ludworth such a special place to learn and work.

Well done, Team Ludworth!

As always, I am incredibly proud to be part of this wonderful school community and to work alongside such dedicated children, staff and families.

Have a wonderful weekend, and I look forward to seeing you all next week.

Warm regards,

Mrs Walker

Headteacher

KEY DATES
